

FROM CONTRACT TO CLOSING – A PRACTICAL APPROACH

This 16-week training program that meets once a week for 3 hours will provide you with hands-on experience in closing a variety of real estate transactions, from the simple residential sale to the complex commercial transaction. You will learn the practical “nuts and bolts” involved in taking a transaction from contract to closing. Using The Fund’s Automated Title Information Data System (ATIDS) and DoubleTime, you will perform title searches, prepare title commitments, all necessary closing documents, and title policies. This program has been awarded 2 NALA Credits and 40 General CLER Florida Bar Credits.
