

Are You Ready to Update?

CHECK IF YOU'RE READY FOR ATIDS® XE 4.1 WITH THE FOLLOWING Q&A:

Q: Is my system ready for ATIDS XE 4.1?

A: ATIDS XE has a dependency on Microsoft's .Net Framework. If your system has Microsoft .Net Framework version 4.5.2, or a higher version, your system is compatible with ATIDS XE 4.1.

Q: How do I determine the Microsoft .Net Framework version installed on my system?

A: Windows 7:

- 1) Launch Control Panel by clicking on the Windows Start button followed by clicking on 'Control Panel'
- 2) From Control Panel click on 'Programs and Features'
- 3) In the 'Programs and Features' panel, enter "Microsoft .Net" in the upper right search box and press Enter.
- 4) The Microsoft .Net version(s) installed on your system are displayed

A: Windows 8 / 8.1:

This version of Windows comes with a compatible version of the .Net Framework pre-installed.

A: Windows 10:

This version of Windows comes with a compatible version of the .Net Framework pre-installed.

Q: My system is not ready for ATIDS XE 4.1 (it does not have a compatible version of the .Net Framework), how do I prepare it for the ATIDS XE upgrade?

A: Your system will need to be upgraded to a compatible version of the Microsoft .Net Framework (version 4.5.2 or higher). Go to <https://www.microsoft.com/net/download/framework>, select a version to download (4.5.2 or higher) and following the prompts/instructions for download and install.

Note – your system may not permit you to perform the .Net Framework install due to security restrictions at your location. In this case, you will need to work with your IT Tech to have the .Net Framework upgrade completed.

Q: My system is ready for the ATIDS XE 4.1 upgrade, how do I get it?

A: The planned availability date for ATIDS XE 4.1 is April 13, 2017. The installed version of ATIDS XE on your system automatically checks for upgrades upon launching the application. When The Fund makes ATIDS XE 4.1 available, you will be prompted to update your ATIDS XE.

Q: I believe ATIDS XE 4.1 is available but my ATIDS XE did not automatically update. How can I get ATIDS XE 4.1?

A: Contact The Fund's Help Desk for assistance.
