C. SELLER FINANCING (PURCHASE MONEY MORTGAGE; SECURITY AGREEMENT TO SELLER)

WARNING – PRIOR TO ENTERING INTO THE FINANCING CONTEMPLATED BELOW, SELLER AND BUYER ARE ADVISED TO SEEK THE ADVICE OF LEGAL COUNSEL TO DETERMINE IF THIS FINANCING COMPLIES WITH THE DODD-FRANK WALL STREET REFORM AND CONSUMER PROTECTION ACT (DODD- FRANK) AND OTHER RELEVANT FEDERAL AND STATE REQUIREMENTS.

I. SUMMARY OF SELLER FINANCING UNDER DODD-FRANK - PLEASE READ CAREFULLY

Dodd-Frank has made significant and important changes affecting seller financing on residential properties. Effective January 10, 2014, a seller of residential dwelling(s) who finances buyer's purchase of seller's residential property may be considered a "loan originator" under Dodd-Frank, and required to comply with certain Truth In Lending Act ("TILA") rules and disclosures, unless the seller is entitled to one of the two exclusions set forth in Dodd-Frank:

- 1. The "one property exclusion" where seller finances only **ONE** property in any 12 month period, and:
 - (a) The seller owns the property and is a natural person, a trust or an estate; and
 - (b) The seller did not construct or act as the contractor for the construction of a residence on the property in the ordinary course of business; and
 - (c) The financing does not result in negative amortization; and
 - (d) The financing has a fixed rate or an adjustable rate that does not adjust for the first 5 years and is subject to reasonable annual and lifetime rate adjustment limits.

OR

- 2. The "three property exclusion" where seller finances no more than **THREE** properties in any 12 month period, and:
 - (a) The seller owns the property and is a natural person or organization (corporation, LLC, partnership, trust, estate, association, etc.); and
 - (b) The seller did not construct or act as the contractor for the construction of a residence on the property in the ordinary course of business; and
 - (c) The loan is fully amortized, specifically there is no balloon payment or negative amortization; and
 - (d) The financing has a fixed rate or an adjustable rate that does not adjust for the first 5 years and is subject to reasonable annual and lifetime rate adjustment limits; and
 - (e) The seller determines in good faith that the buyer/borrower has the reasonable ability to repay the loan.

A seller who finances the buyer's purchase of seller's residential property and who meets either of the two exclusions outlined above may use this Seller Financing Rider.

A seller who finances the buyer's purchase of seller's residential property and who is <u>not</u> exempt from Dodd-Frank should seek the advice of legal counsel regarding use of this Seller Financing Rider, including modifications or disclosures that may be required by Dodd-Frank, prior to completing this Rider.

	G. SHORT SALE APPROVAL CONTINGENCY
1.	Approval of Seller's Lender(s) and Requirements for Seller's Approval of Short Sale. This Contract is contingent upon: (a) Seller's lender(s) and all other lien holder(s) (collectively "Seller's Lender") approving the Purchase Price, terms of this Contract and the HUD-1 settlement statement; (b) Seller's Lender's agreement to accept a payoff which is less than the balance due on the loan or other indebtedness; and (c) Seller's Lender's agreement to release and provide a satisfaction of the mortgage(s) and/or other lien(s) encumbering the Property (the "Mortgage(s)") upon receipt of reduced payoff amount(s).
	Approval of, or agreement to, items (a) through (c) by Seller's Lender is referred to as "Short Sale Approval". However, an approval by Seller's Lender which does not provide a waiver and complete release of any claim(s) for a deficiency against Seller for sums due Seller's Lender under the Mortgage(s) as of the payoff date, or which requires additional terms or obligations affecting either party shall not be deemed "Short Sale Approval" unless the party affected accepts those additional terms or obligations in writing. A copy of a Short Sale Approval accepted by Seller shall be delivered by Seller to Buyer and Closing Agent within 3 days of Seller's receipt of such Short Sale Approval.
2.	Application for Approval of Short Sale. Seller shall within (if left blank, then 10) days after Effective Date obtain from Seller's Lender their application forms for a "short sale", and Seller shall diligently complete and return such forms to Seller's Lender within 5 days thereafter and promptly provide such additional documents as may be requested by Seller's Lender.
3.	Status of Short Sale Approval Application. Seller hereby authorizes Seller's Lender to provide Buyer and Buyer's Broker and Closing Agent with information stating the status of Seller's application for approval of a Short Sale and notice of the approval(s) or denial(s) of such application(s). Seller shall promptly notify Buyer when Seller obtains Short Sale Approval as provided in Paragraph 1 above, or denial of such approval from Seller's Lender.
4.	Short Sale Approval Deadline; Termination. If Seller does not deliver a copy of Seller's accepted Short Sale Approval to Buyer within (if left blank, then 90) days from Effective Date ("Short Sale Approval Deadline"), then either party may thereafter terminate this Contract by delivering written notice to the other party, and the Deposit shall be refunded to Buyer, thereby releasing Buyer and Seller from all further obligations under this Contract.
	This Contract shall automatically terminate if Seller has not delivered the Short Sale Approval to Buyer within 30 days after expiration of the Short Sale Approval Deadline, including any extension(s) of the Short Sale Approval Deadline ("Contract Expiration Date"), in which event the Deposit shall be refunded to Buyer, thereby releasing Buyer and Seller from all further obligations under this Contract.
5.	Time Periods. The time for making the initial deposit specified in Paragraph 2(a) and for calculating the Short Sale Approval Deadline shall be computed from the Effective Date. All other time periods and other obligations under this Contract shall commence from the date of Buyer's receipt of Short Sale Approval pursuant to Paragraph 1 above.
6.	Closing Date. The Closing Date shall be (if left blank, then 45) days after Buyer receives Short Sale Approval pursuant to Paragraph 1 above.

7.	Back-up Offers. (CHECK ONE - If no option is checked, then option (a) shall be deemed selected):
	(a) Seller's Agreement Not to Accept Other Contracts or Offers. During the term of this Contract, Seller shall
	not accept or enter into any back-up offers, contracts, options or other agreements concerning the sale of the
	Property.

(b) Seller's Right to Accept Back-up Contracts or Offers. During the term of this Contract, Seller may accept or enter into bona fide "back-up" contracts or offers to purchase the Property that are conditioned upon a failure of the Closing of the sale contemplated by this Contract.

8. Acknowledgement by Seller.

- (a) If Seller is advised of Seller's Lender's refusal to participate in any short sale, Seller agrees to immediately communicate this to Buyer and Broker.
- (b) Seller acknowledges that Broker has advised Seller to consult with professionals for any tax, legal or specialized advice and has been encouraged to discuss other options with legal counsel of Seller's choosing prior to entering into this short sale transaction.

9. Acknowledgement by Buyer.

- (a) Buyer acknowledges Seller's Lender is not a party to this Contract and therefore is not obligated to approve this Contract; that Seller's acceptance of this Contract does not guarantee Seller's Lender's acceptance; and Seller's Lender is under no obligation to consider, respond, approve or advise either Seller or Buyer, or Broker as to any offer submitted to it.
- (b) Buyer further acknowledges that Seller and/or Broker shall not be liable for delays caused by Seller's Lender or costs and expenses (such as payments for loan applications, inspections and appraisals) incurred by Buyer under this Contract if Seller's Lender does not complete the short sale after Seller's receipt of Short Sale Approval.
- 10. Termination Upon Foreclosure Sale. If during the term of this Contract, the Property is sold at foreclosure sale prior to the parties obtaining Short Sale Approval and Closing the transaction contemplated by this Contract, this Contract shall be terminated, and Buyer shall be refunded the Deposit, thereby releasing Buyer and Seller from all further obligations under this Contract.

10. DISCLOSURES:

- (a) **RADON GAS:** Radon is a naturally occurring radioactive gas that, when it is accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county health department.
- (b) **PERMITS DISCLOSURE**: Except as may have been disclosed by Seller to Buyer in a written disclosure, Seller does not know of any improvements made to the Property which were made without required permits or made pursuant to permits which have not been properly closed or otherwise disposed of pursuant to Section 553.79, F.S. If Seller identifies permits which have not been closed or improvements which were not permitted, then Seller shall promptly deliver to Buyer all plans, written documentation or other information in Seller's possession. knowledge, or control relating to improvements to the Property which are the subject of such open permits or unpermitted improvements.
- (c) MOLD: Mold is naturally occurring and may cause health risks or damage to property. If Buyer is concerned or desires additional information regarding mold, Buyer should contact an appropriate professional. See Rider I MOLD INSPECTION.
- (d) FLOOD ZONE; ELEVATION CERTIFICATION: Buyer is advised to verify by elevation certificate which flood zone the Property is in, whether flood insurance is required by Buyer's lender, and what restrictions apply to improving the Property and rebuilding in the event of casualty. If Property is in a "Special Flood Hazard Area" or "Coastal Barrier Resources Act" designated area or otherwise protected area identified by the U.S. Fish and Wildlife Service under the Coastal Barrier Resources Act and the lowest floor elevation for the building(s) and/or flood insurance rating purposes is below minimum flood elevation or is ineligible for flood insurance coverage through the National Flood Insurance Program or private flood insurance as defined in 42 U.S.C. §4012a, Buyer may terminate this Contract by delivering written notice to Seller within (if left blank, then 20) days after Effective Date, and Buyer shall be refunded the Deposit thereby releasing Buyer and Seller from all further obligations under this Contract, failing which Buyer accepts existing elevation of buildings and flood zone designation of Property.
- (e) ENERGY BROCHURE: Buyer acknowledges receipt of Florida Energy-Efficiency Rating Information Brochure required by Section 553.996, F.S.
- (f) LEAD-BASED PAINT: If Property includes pre-1978 residential housing, a lead-based paint disclosure is mandatory.
- (g) HOMEOWNERS' ASSOCIATION/COMMUNITY DISCLOSURE: BUYER SHOULD NOT EXECUTE THIS CONTRACT UNTIL **BUYER** HAS **RECEIVED** AND **READ** THE **HOMEOWNERS** ASSOCIATION/COMMUNITY DISCLOSURE, IF APPLICABLE.
- (h) PROPERTY TAX DISCLOSURE SUMMARY: BUYER SHOULD NOT RELY ON THE SELLER'S CURRENT PROPERTY TAXES AS THE AMOUNT OF PROPERTY TAXES THAT THE BUYER MAY BE OBLIGATED TO PAY IN THE YEAR SUBSEQUENT TO PURCHASE. A CHANGE OF OWNERSHIP OR PROPERTY IMPROVEMENTS TRIGGERS REASSESSMENTS OF THE PROPERTY THAT COULD RESULT IN HIGHER PROPERTY TAXES. IF YOU HAVE ANY QUESTIONS CONCERNING VALUATION, CONTACT THE COUNTY PROPERTY APPRAISER'S OFFICE FOR INFORMATION.
- FOREIGN INVESTMENT IN REAL PROPERTY TAX ACT ("FIRPTA"): Seller shall inform Buyer in writing if Seller is a "foreign person" as defined by the Foreign Investment in Real Property Tax Act ("FIRPTA"). Buyer and Seller shall comply with FIRPTA, which may require Seller to provide additional cash at Closing. If Seller is not a "foreign person", Seller can provide Buyer, at or prior to Closing, a certification of non-foreign status, under penalties of perjury, to inform Buyer and Closing Agent that no withholding is required. See STANDARD V for further information pertaining to FIRPTA. Buyer and Seller are advised to seek legal counsel and tax advice regarding their respective rights, obligations, reporting and withholding requirements pursuant to FIRPTA.
- (j) **SELLER DISCLOSURE:** Seller knows of no facts materially affecting the value of the Real Property which are not readily observable and which have not been disclosed to Buyer. Except as otherwise disclosed in writing Seller has received no written or verbal notice from any governmental entity or agency as to a currently uncorrected building, environmental or safety code violation.

PROPERTY MAINTENANCE, CONDITION, INSPECTIONS AND EXAMINATIONS

11. PROPERTY MAINTENANCE: Except for ordinary wear and tear and Casualty Loss, and those repairs, replacements or treatments required to be made by this Contract, Seller shall maintain the Property, including, but

(if left blank, then 15) days after Effective Date ("Inspection (a) **INSPECTION PERIOD**: Buyer shall have Period"), within which Buyer may, at Buyer's expense, conduct "General", "WDO", and "Permit" Inspections as described below. If Buyer fails to timely deliver to Seller a written notice or report required by (b), (c), or (d) below, then, except for Seller's continuing Maintenance Requirement, Buyer shall have waived Seller's obligation(s) to repair, replace, treat or remedy the matters not inspected and timely reported. If this Contract does not close, Buyer shall repair all damage to Property resulting from Buyer's inspections, return Property to its pre-inspection condition and provide Seller with paid receipts for all work done on Property upon its completion.

(b) GENERAL PROPERTY INSPECTION AND REPAIR:

- (i) **General Inspection:** Those items specified in Paragraph 12(b) (ii) below, which Seller is obligated to repair or replace ("General Repair Items") may be inspected ("General Inspection") by a person who specializes in and holds an occupational license (if required by law) to conduct home inspections or who holds a Florida license to repair and maintain the items inspected ("Professional Inspector"). Buyer shall, within the Inspection Period, inform Seller of any General Repair Items that are not in the condition required by (b)(ii) below by delivering to Seller a written notice and upon written request by Seller a copy of the portion of Professional Inspector's written report dealing with such items.
- (ii) Property Condition: The following items shall be free of leaks, water damage or structural damage: ceiling, roof (including fascia and soffits), exterior and interior walls, doors, windows, and foundation. The above items together with pool, pool equipment, non-leased major appliances, heating, cooling, mechanical, electrical, security, sprinkler, septic, and plumbing systems and machinery, seawalls, dockage, watercraft lift(s) and related equipment, are, and shall be maintained until Closing, in "Working Condition" (defined below). Torn screens (including pool and patio screens), fogged windows, and missing roof tiles or shingles shall be repaired or replaced by Seller prior to Closing. Seller is not required to repair or replace "Cosmetic Conditions" (defined below), unless the Cosmetic Conditions resulted from a defect in an item Seller is obligated to repair or replace. "Working Condition" means operating in the manner in which the item was designed to operate. "Cosmetic Conditions" means aesthetic imperfections that do not affect Working Condition of the item, including, but not limited to: pitted marcite; tears, worn spots and discoloration of floor coverings, wallpapers, or window treatments; nail holes, scrapes, scratches, dents, chips or caulking in ceilings, walls, flooring, tile, fixtures, or mirrors; and minor cracks in walls, floor tiles, windows, driveways, sidewalks, pool decks, and garage and patio floors. Cracked roof tiles, curling or worn shingles, or limited roof life shall not be considered defects Seller must repair or replace, so long as there is no evidence of actual leaks, leakage or structural damage.
- (iii) General Property Repairs: Seller is only obligated to make such general repairs as are necessary to bring items into the condition specified in Paragraph 12(b) (ii) above. Seller shall within 10 days after receipt of Buyer's written notice or General Inspection report, either have the reported repairs to General Repair Items completed at Seller's expense, or have repairs estimated by an appropriately licensed person and a copy delivered to Buyer, or have a second inspection made by a Professional Inspector and provide a copy of such report and estimates of repairs to Buyer. If Buyer's and Seller's inspection reports differ and the parties cannot resolve the differences, Buyer and Seller together shall choose, and equally split the cost of, a third Professional Inspector, whose written report shall be binding on the parties.

If cost to repair General Repair Items equals or is less than the General Repair Limit, Seller shall have repairs made in accordance with Paragraph 12(f). If cost to repair General Repair Items exceeds the General Repair Limit, then within 5 days after a party's receipt of the last estimate: (A) Seller may elect to pay the excess by delivering written notice to Buyer, or (B) Buyer may deliver written notice to Seller designating which repairs of General Repair Items Seller shall make (at a total cost to Seller not exceeding the General Repair Limit) and agreeing to accept the balance of General Repair Items in their "as is" condition, subject to Seller's continuing Maintenance Requirement. If neither party delivers such written notice to the other, then either party may terminate this Contract and Buyer shall be refunded the Deposit, thereby releasing Buyer and Seller from all further obligations under this Contract.

(c) WOOD DESTROYING ORGANISM ("WDO") INSPECTION AND REPAIR:

(i) WDO Inspection: The Property may be inspected by a Florida-licensed pest control business ("WDO Inspector") to determine the existence of past or present WDO infestation and damage caused by infestation ("WDO Inspection"). Buyer shall, within the Inspection Period, deliver a copy of the WDO Inspector's written report to Seller if any evidence of WDO infestation or damage is found, "Wood Destroying Organism" ("WDO") means arthropod or plant life, including termites, powder-post beetles, oldhouse borers and wood-decaying fungi, that damages or infests seasoned wood in a structure, excluding fences.

(ii) WDO Repairs: If Seller previously treated the Property for the type of WDO found by Buyer's WDO Inspection, Seller does not have to retreat the Property if there is no visible live infestation, and Seller, at Seller's cost, transfers to Buyer at Closing a current full treatment warranty for the type of WDO found. Seller shall within 10 days after receipt of Buyer's WDO Inspector's report, have reported WDO damage estimated by an appropriately licensed person, necessary corrective treatment, if any, estimated by a WDO Inspector, and a copy delivered to Buyer. Seller shall have treatments and repairs made in accordance with Paragraph 12(f) below up to the WDO Repair Limit. If cost to treat and repair the WDO infestations and damage to Property exceeds the WDO Repair Limit, then within 5 days after receipt of Seller's estimate, Buyer may deliver written notice to Seller agreeing to pay the excess, or designating which WDO repairs Seller shall make (at a total cost to Seller not exceeding the WDO Repair Limit), and accepting the balance of the Property in its "as is" condition with regard to WDO infestation and damage, subject to Seller's continuing Maintenance Requirement. If Buyer does not deliver such written notice to Seller, then either party may terminate this Contract by written notice to the other, and Buyer shall be refunded the Deposit, thereby releasing Buyer and Seller from all further obligations under this Contract.

(d) INSPECTION AND CLOSE-OUT OF BUILDING PERMITS:

- (i) **Permit Inspection:** Buyer may have an inspection and examination of records and documents made to determine whether there exist any open or expired building permits or unpermitted improvements to the Property ("Permit Inspection"). Buyer shall, within the Inspection Period, deliver written notice to Seller of the existence of any open or expired building permits or unpermitted improvements to the Property. If Buyer's inspection of the Property identifies permits which have not been properly closed or improvements which were not permitted, then Seller shall promptly deliver to Buyer all plans, written documentation or other information in Seller's possession, knowledge, or control relating to improvements to the Property which are the subject of such open permits or unpermitted improvements.
- (ii) Close-Out of Building Permits: Seller shall, within 10 days after receipt of Buyer's Permit Inspection notice, have an estimate of costs to remedy Permit Inspection items prepared by an appropriately licensed person and a copy delivered to Buyer. No later than 5 days prior to Closing Date, Seller shall, up to the Permit Limit, have open and expired building permits identified by Buyer or known to Seller closed by the applicable governmental entity, and obtain and close any required building permits for improvements to the Property. Prior to Closing Date, Seller will provide Buyer with any written documentation that all open and expired building permits identified by Buyer or known to Seller have been closed out and that Seller has obtained and closed required building permits for improvements to the Property. If final permit inspections cannot be performed due to delays by the governmental entity, Closing Date shall be extended for up to 10 days to complete such final inspections, failing which, either party may terminate this Contract, and Buyer shall be refunded the Deposit, thereby releasing Buyer and Seller from all further obligations under this Contract.
- If cost to close open or expired building permits or to remedy any permit violation of any governmental entity exceeds Permit Limit, then within 5 days after a party's receipt of estimates of cost to remedy: (A) Seller may elect to pay the excess by delivering written notice to Buyer; or (B) Buyer may deliver written notice to Seller accepting the Property in its "as is" condition with regard to building permit status and agreeing to receive credit from Seller at Closing in the amount of Permit Limit. If neither party delivers such written notice to the other, then either party may terminate this Contract and Buyer shall be refunded the Deposit, thereby releasing Buyer and Seller from all further obligations under this Contract.
- (e) WALK-THROUGH INSPECTION/RE-INSPECTION: On the day prior to Closing Date, or on Closing Date prior to time of Closing, as specified by Buyer, Buyer or Buyer's representative may perform a walk-through (and follow-up walk-through, if necessary) inspection of the Property solely to confirm that all items of Personal Property are on the Property and to verify that Seller has maintained the Property as required by the Maintenance Requirement, has made repairs and replacements required by this Contract, and has met all other contractual obligations.
- (f) REPAIR STANDARDS; ASSIGNMENT OF REPAIR AND TREATMENT CONTRACTS AND WARRANTIES: All repairs and replacements shall be completed in a good and workmanlike manner by an appropriately licensed person, in accordance with all requirements of law, and shall consist of materials or items of quality, value, capacity and performance comparable to, or better than, that existing as of the Effective Date. Except as provided in Paragraph 12(c)(ii), at Buyer's option and cost, Seller will, at Closing, assign all assignable repair, treatment and maintenance contracts and warranties to Buyer.

ESCROW AGENT AND BROKER

13. ESCROW AGENT: Any Closing Agent or Escrow Agent (collectively "Agent") receiving the Deposit, other funds and other items is authorized, and agrees by acceptance of them, to deposit them promptly, hold same in escrow within the State of Florida and, subject to Collection, disburse them in accordance with terms and conditions of this

Contract. Failure of funds to become Collected shall not excuse Buyer's performance. When conflicting demands for the Deposit are received, or Agent has a good faith doubt as to entitlement to the Deposit, Agent may take such actions permitted by this Paragraph 13, as Agent deems advisable. If in doubt as to Agent's duties or liabilities under this Contract, Agent may, at Agent's option, continue to hold the subject matter of the escrow until the parties agree to its disbursement or until a final judgment of a court of competent jurisdiction shall determine the rights of the parties, or Agent may deposit same with the clerk of the circuit court having jurisdiction of the dispute. An attorney who represents a party and also acts as Agent may represent such party in such action. Upon notifying all parties concerned of such action, all liability on the part of Agent shall fully terminate, except to the extent of accounting for any items previously delivered out of escrow. If a licensed real estate broker, Agent will comply with provisions of Chapter 475, F.S., as amended and FREC rules to timely resolve escrow disputes through mediation, arbitration, interpleader or an escrow disbursement order.

In any proceeding between Buyer and Seller wherein Agent is made a party because of acting as Agent hereunder, or in any proceeding where Agent interpleads the subject matter of the escrow, Agent shall recover reasonable attorney's fees and costs incurred, to be paid pursuant to court order out of the escrowed funds or equivalent. Agent shall not be liable to any party or person for mis-delivery of any escrowed items, unless such mis-delivery is due to Agent's willful breach of this Contract or Agent's gross negligence. This Paragraph 13 shall survive Closing or termination of this Contract.

14. PROFESSIONAL ADVICE; BROKER LIABILITY: Broker advises Buyer and Seller to verify Property condition, square footage, and all other facts and representations made pursuant to this Contract and to consult appropriate professionals for legal, tax, environmental, and other specialized advice concerning matters affecting the Property and the transaction contemplated by this Contract. Broker represents to Buyer that Broker does not reside on the Property and that all representations (oral, written or otherwise) by Broker are based on Seller representations or public records. BUYER AGREES TO RELY SOLELY ON SELLER, PROFESSIONAL INSPECTORS AND GOVERNMENTAL AGENCIES FOR VERIFICATION OF PROPERTY CONDITION, SQUARE FOOTAGE AND FACTS THAT MATERIALLY AFFECT PROPERTY VALUE AND NOT ON THE REPRESENTATIONS (ORAL, WRITTEN OR OTHERWISE) OF BROKER. Buyer and Seller (individually, the "Indemnifying Party") each individually indemnifies, holds harmless, and releases Broker and Broker's officers, directors, agents and employees from all liability for loss or damage, including all costs and expenses, and reasonable attorney's fees at all levels, suffered or incurred by Broker and Broker's officers, directors, agents and employees in connection with or arising from claims, demands or causes of action instituted by Buyer or Seller based on: (i) inaccuracy of information provided by the Indemnifying Party or from public records; (ii) Indemnifying Party's misstatement(s) or failure to perform contractual obligations; (iii) Broker's performance, at Indemnifying Party's request, of any task beyond the scope of services regulated by Chapter 475, F.S., as amended, including Broker's referral, recommendation or retention of any vendor for, or on behalf of, Indemnifying Party; (iv) products or services provided by any such vendor for, or on behalf of, Indemnifying Party; and (v) expenses incurred by any such vendor. Buyer and Seller each assumes full responsibility for selecting and compensating their respective vendors and paying their other costs under this Contract whether or not this transaction closes. This Paragraph 14 will not relieve Broker of statutory obligations under Chapter 475, F.S., as amended. For purposes of this Paragraph 14, Broker will be treated as a party to this Contract. This Paragraph 14 shall survive Closing or termination of this Contract.

DEFAULT AND DISPUTE RESOLUTION

15. DEFAULT:

- (a) **BUYER DEFAULT:** If Buyer fails, neglects or refuses to perform Buyer's obligations under this Contract, including payment of the Deposit, within the time(s) specified, Seller may elect to recover and retain the Deposit for the account of Seller as agreed upon liquidated damages, consideration for execution of this Contract, and in full settlement of any claims, whereupon Buyer and Seller shall be relieved from all further obligations under this Contract, or Seller, at Seller's option, may, pursuant to Paragraph 16, proceed in equity to enforce Seller's rights under this Contract.
- (b) SELLER DEFAULT: If for any reason other than failure of Seller to make Seller's title marketable after reasonable diligent effort, Seller fails, neglects or refuses to perform Seller's obligations under this Contract, Buyer may elect to receive return of Buyer's Deposit without thereby waiving any action for damages resulting from Seller's breach, and, pursuant to Paragraph 16, may seek to recover such damages or seek specific performance.

This Paragraph 15 shall survive Closing or termination of this Contract.

16. DISPUTE RESOLUTION: Unresolved controversies, claims and other matters in question between Buyer and Seller arising out of, or relating to, this Contract or its breach, enforcement or interpretation ("Dispute") will be settled as follows:

Buyer's Initials	Page 8 of 14	Seller's Initials	
FloridaRealtors/FloridaBar – 7 Rev 12/24	© 2024 Florida Realtors® and The Florida Bar	All rights reserved	

- (a) Buyer and Seller will have 10 days after the date conflicting demands for the Deposit are made to attempt to resolve such Dispute, failing which, Buyer and Seller shall submit such Dispute to mediation under Paragraph 16(b).
- (b) Buyer and Seller shall attempt to settle Disputes in an amicable manner through mediation pursuant to Florida Rules for Certified and Court-Appointed Mediators and Chapter 44, F.S., as amended (the "Mediation Rules"). The mediator must be certified or must have experience in the real estate industry. Injunctive relief may be sought without first complying with this Paragraph 16(b). Disputes not settled pursuant to this Paragraph 16 may be resolved by instituting action in the appropriate court having jurisdiction of the matter. This Paragraph 16 shall survive Closing or termination of this Contract.
- 17. ATTORNEY'S FEES; COSTS: The parties will split equally any mediation fee incurred in any mediation permitted by this Contract, and each party will pay their own costs, expenses and fees, including attorney's fees, incurred in conducting the mediation. In any litigation permitted by this Contract, the prevailing party shall be entitled to recover from the non-prevailing party costs and fees, including reasonable attorney's fees, incurred in conducting the litigation. This Paragraph 17 shall survive Closing or termination of this Contract.

STANDARDS FOR REAL ESTATE TRANSACTIONS ("STANDARDS")

18. STANDARDS:

A. TITLE:

- (i) TITLE EVIDENCE; RESTRICTIONS; EASEMENTS; LIMITATIONS: Within the time period provided in Paragraph 9(c), the Title Commitment, with legible copies of instruments listed as exceptions attached thereto, shall be issued and delivered to Buyer. The Title Commitment shall set forth those matters to be discharged by Seller at or before Closing and shall provide that, upon recording of the deed to Buyer, an owner's policy of title insurance in the amount of the Purchase Price, shall be issued to Buyer insuring Buyer's marketable title to the Real Property, subject only to the following matters: (a) comprehensive land use plans, zoning, and other land use restrictions, prohibitions and requirements imposed by governmental authority; (b) restrictions and matters appearing on the Plat or otherwise common to the subdivision; (c) outstanding oil, gas and mineral rights of record without right of entry; (d) unplatted public utility easements of record (located contiguous to real property lines and not more than 10 feet in width as to rear or front lines and 7 1/2 feet in width as to side lines); (e) taxes for year of Closing and subsequent years; and (f) assumed mortgages and purchase money mortgages, if any (if additional items, attach addendum); provided, that, unless waived by Paragraph 12 (a), there exists at Closing no violation of the foregoing and none prevent use of the Property for RESIDENTIAL PURPOSES. If there exists at Closing any violation of items identified in (b) (f) above, then the same shall be deemed a title defect. Marketable title shall be determined according to applicable Title Standards adopted by authority of The Florida Bar and in accordance with law.
- (ii) **TITLE EXAMINATION:** Buyer shall have 5 days after receipt of Title Commitment to examine it and notify Seller in writing specifying defect(s), if any, that render title unmarketable. If Seller provides Title Commitment and it is delivered to Buyer less than 5 days prior to Closing Date, Buyer may extend Closing for up to 5 days after date of receipt to examine same in accordance with this STANDARD A. Seller shall have 30 days ("Cure Period") after receipt of Buyer's notice to take reasonable diligent efforts to remove defects. If Buyer fails to so notify Seller, Buyer shall be deemed to have accepted title as it then is. If Seller cures defects within Cure Period, Seller will deliver written notice to Buyer (with proof of cure acceptable to Buyer and Buyer's attorney) and the parties will close this Contract on Closing Date (or if Closing Date has passed, within 10 days after Buyer's receipt of Seller's notice). If Seller is unable to cure defects within Cure Period, then Buyer may, within 5 days after expiration of Cure Period, deliver written notice to Seller: (a) extending Cure Period for a specified period not to exceed 120 days within which Seller shall continue to use reasonable diligent effort to remove or cure the defects ("Extended Cure Period"); or (b) electing to accept title with existing defects and close this Contract on Closing Date (or if Closing Date has passed, within the earlier of 10 days after end of Extended Cure Period or Buyer's receipt of Seller's notice), or (c) electing to terminate this Contract and receive a refund of the Deposit, thereby releasing Buyer and Seller from all further obligations under this Contract. If after reasonable diligent effort, Seller is unable to timely cure defects, and Buyer does not waive the defects, this Contract shall terminate, and Buyer shall receive a refund of the Deposit, thereby releasing Buyer and Seller from all further obligations under this Contract.
- **B. SURVEY:** If Survey discloses encroachments on the Real Property or that improvements located thereon encroach on setback lines, easements, or lands of others, or violate any restrictions, covenants, or applicable governmental regulations described in STANDARD A (i)(a), (b) or (d) above, Buyer shall deliver written notice of such matters, together with a copy of Survey, to Seller within 5 days after Buyer's receipt of Survey, but no later than Closing. If Buyer timely delivers such notice and Survey to Seller, such matters identified in the notice and Survey shall constitute a title defect, subject to cure obligations of STANDARD A above. If Seller has delivered a

prior survey, Seller shall, at Buyer's request, execute an affidavit of "no change" to the Real Property since the preparation of such prior survey, to the extent the affirmations therein are true and correct.

- **C. INGRESS AND EGRESS:** Seller represents that there is ingress and egress to the Real Property and title to the Real Property is insurable in accordance with STANDARD A without exception for lack of legal right of access. **D. LEASE INFORMATION:** Seller shall, at least 10 days prior to Closing, furnish to Buyer estoppel letters from tenant(s)/occupant(s) specifying nature and duration of occupancy, rental rates, advanced rent and security deposits paid by tenant(s) or occupant(s) ("Estoppel Letter(s)"). If Seller is unable to obtain such Estoppel Letter(s) the same information shall be furnished by Seller to Buyer within that time period in the form of a Seller's affidavit, and Buyer may thereafter contact tenant(s) or occupant(s) to confirm such information. If Estoppel Letter(s) or Seller's affidavit, if any, differ materially from Seller's representations and lease(s) provided pursuant to Paragraph 6, or if tenant(s)/occupant(s) fail or refuse to confirm Seller's affidavit, Buyer may deliver written notice to Seller within 5 days after receipt of such information, but no later than 5 days prior to Closing Date, terminating this Contract and receive a refund of the Deposit, thereby releasing Buyer and Seller from all further obligations under this Contract. Seller shall, at Closing, deliver and assign all leases to Buyer who shall assume Seller's obligations thereunder.
- **E. LIENS:** Seller shall furnish to Buyer at Closing an affidavit attesting (i) to the absence of any financing statement, claims of lien or potential lienors known to Seller and (ii) that there have been no improvements or repairs to the Real Property for 90 days immediately preceding Closing Date. If the Real Property has been improved or repaired within that time, Seller shall deliver releases or waivers of construction liens executed by all general contractors, subcontractors, suppliers and materialmen in addition to Seller's lien affidavit setting forth names of all such general contractors, subcontractors, suppliers and materialmen, further affirming that all charges for improvements or repairs which could serve as a basis for a construction lien or a claim for damages have been paid or will be paid at Closing.
- **F.** TIME: Time is of the essence in this Contract. Calendar days, based on where the Property is located, shall be used in computing time periods. Other than time for acceptance and Effective Date as set forth in Paragraph 3, any time periods provided for or dates specified in this Contract, whether preprinted, handwritten, typewritten or inserted herein, which shall end or occur on a Saturday, Sunday, national legal public holiday (as defined in 5 U.S.C. Sec. 6103(a)), or a day on which a national legal public holiday is observed because it fell on a Saturday or Sunday, shall extend to the next calendar day which is not a Saturday, Sunday, national legal public holiday, or a day on which a national legal public holiday is observed.
- **G. FORCE MAJEURE**: Buyer or Seller shall not be required to exercise or perform any right or obligation under this Contract or be liable to each other for damages so long as performance or non-performance of the right or obligation, or the availability of services, insurance, or required approvals essential to Closing, is disrupted, delayed, caused or prevented by a Force Majeure event. "Force Majeure" means: hurricanes, floods, extreme weather, earthquakes, fires, or other acts of God, unusual transportation delays, wars, insurrections, civil unrest, or acts of terrorism, governmental actions and mandates, government shut downs, epidemics, or pandemics, which, by exercise of reasonable diligent effort, the non-performing party is unable in whole or in part to prevent or overcome. The Force Majeure event will be deemed to have begun on the first day the effect of the Force Majeure prevents performance, non-performance, or the availability of services, insurance or required approvals essential to Closing. All time periods affected by the Force Majeure event, including Closing Date, will be extended a reasonable time up to 7 days after the Force Majeure event no longer prevents performance under this Contract; provided, however, if such Force Majeure event continues to prevent performance under this Contract more than 30 days beyond Closing Date, then either party may terminate this Contract by delivering written notice to the other and the Deposit shall be refunded to Buyer, thereby releasing Buyer and Seller from all further obligations under this Contract.
- **H. CONVEYANCE:** Seller shall convey marketable title to the Real Property by statutory warranty, trustee's, personal representative's, or guardian's deed, as appropriate to the status of Seller, subject only to matters described in STANDARD A and those accepted by Buyer. Personal Property shall, at request of Buyer, be transferred by absolute bill of sale with warranty of title, subject only to such matters as may be provided for in this Contract.

. CLOSING LOCATION; DOCUMENTS; AND PROCEDURE:

- (i) **LOCATION:** Closing will be conducted by the attorney or other closing agent ("Closing Agent") designated by the party paying for the owner's policy of title insurance and will take place in the county where the Real Property is located at the office of the Closing Agent, or at such other location agreed to by the parties. If there is no title insurance, Seller will designate Closing Agent. Closing may be conducted by mail, overnight courier, or electronic means.
- (ii) **CLOSING DOCUMENTS:** Seller shall, at or prior to Closing, execute and deliver, as applicable, deed, bill of sale, certificate(s) of title or other documents necessary to transfer title to the Property, construction lien affidavit(s), owner's possession and no lien affidavit(s), and assignment(s) of leases. Seller shall provide Buyer with paid

- (iv) **PROCEDURE:** The deed shall be recorded upon Collection of all closing funds. If the Title Commitment provides insurance against adverse matters pursuant to Section 627.7841, F.S., as amended, the escrow closing procedure required by STANDARD J shall be waived, and Closing Agent shall, **subject to Collection of all closing funds**, disburse at Closing the brokerage fees to Broker and the net sale proceeds to Seller.
- J. ESCROW CLOSING PROCEDURE: If Title Commitment issued pursuant to Paragraph 9(c) does not provide for insurance against adverse matters as permitted under Section 627.7841, F.S., as amended, the following escrow and closing procedures shall apply: (1) all Closing proceeds shall be held in escrow by the Closing Agent for a period of not more than 10 days after Closing; (2) if Seller's title is rendered unmarketable, through no fault of Buyer, Buyer shall, within the 10 day period, notify Seller in writing of the defect and Seller shall have 30 days from date of receipt of such notification to cure the defect; (3) if Seller fails to timely cure the defect, the Deposit and all Closing funds paid by Buyer shall, within 5 days after written demand by Buyer, be refunded to Buyer and, simultaneously with such repayment, Buyer shall return the Personal Property, vacate the Real Property and reconvey the Property to Seller by special warranty deed and bill of sale; and (4) if Buyer fails to make timely demand for refund of the Deposit, Buyer shall take title as is, waiving all rights against Seller as to any intervening defect except as may be available to Buyer by virtue of warranties contained in the deed or bill of sale.
- K. PRORATIONS; CREDITS: The following recurring items will be made current (if applicable) and prorated as of the day prior to Closing Date, or date of occupancy if occupancy occurs before Closing Date: real estate taxes (including special benefit tax assessments imposed by a CDD pursuant to Chapter 190, F.S., and assessments imposed by special district(s) pursuant to Chapter 189, F.S.), interest, bonds, association fees, insurance, rents and other expenses of Property. Buyer shall have option of taking over existing policies of insurance, if assumable, in which event premiums shall be prorated. Cash at Closing shall be increased or decreased as may be required by prorations to be made through day prior to Closing. Advance rent and security deposits, if any, will be credited to Buyer. Escrow deposits held by Seller's mortgagee will be paid to Seller. Taxes shall be prorated based on current year's tax. If Closing occurs on a date when current year's millage is not fixed but current year's assessment is available, taxes will be prorated based upon such assessment and prior year's millage. If current year's assessment is not available, then taxes will be prorated on prior year's tax. If there are completed improvements on the Real Property by January 1st of year of Closing, which improvements were not in existence on January 1st of prior year, then taxes shall be prorated based upon prior year's millage and at an equitable assessment to be agreed upon between the parties, failing which, request shall be made to the County Property Appraiser for an informal assessment taking into account available exemptions. If restoration is not completed as of Closing, a sum equal to 125% of estimated cost to complete restoration (not to exceed 1.5% of Purchase Price) will be escrowed at Closing. If actual cost of restoration exceeds escrowed amount, Seller shall pay such actual costs (but, not in excess of 1.5% of Purchase Price). Any unused portion of escrowed amount shall be returned to Seller. If cost of restoration exceeds 1.5% of Purchase Price, Buyer shall elect to either take Property "as is" together with the 1.5%, or receive a refund of the Deposit thereby releasing Buyer and Seller from all further obligations under this Contract. Seller's sole obligation with respect to tree damage by casualty or other natural occurrence shall be cost of pruning or removal.

Otherwise, Buyer shall withhold the applicable percentage of the amount realized by Seller on the transfer and timely remit said funds to the IRS.
- (ii) If Seller is a foreign person and has received a Withholding Certificate from the IRS which provides for reduced or eliminated withholding in this transaction and provides same to Buyer by Closing, then Buyer shall withhold the reduced sum required, if any, and timely remit said funds to the IRS.

'A PERMIT BY ANY OTHER NAME'...THE PROBLEM OF PERMITS

by John D. Benson, Fund Underwriting Counsel

That famous bard, William Shakespeare, once declared, "What's in a name? That which we call a rose by any other name would smell as sweet." And for most real estate practitioners, when they discover an open or expired permit, or unpermitted improvements, they want to name such matters a lien that needs to be cleared for a real estate closing. However when it comes to open or expired permits, or unpermitted improvements, that simply is not the case.

Perhaps a little background is useful in understanding why this view of permits and unpermitted improvements persists. In the not too long ago past, checking for such matters was not something that a real estate practitioner would always do as part of their process in closing a real estate transaction, but such searches are becoming more and In addition, many counties and more routine. municipalities have computerized their records and memorialized untold numbers of permits that were never signed off by the necessary official for which the county or municipality has no intention of ever pursuing, and with the ease of the internet, public access to such information is now commonplace. This article will address why open or expired or unpermitted permits are excluded from coverage under a title policy and how a real estate practitioner can address permit problems in real estate transactions.

Title Insurance. Open or expired permits, and unpermitted improvements, are specifically excluded from coverage under the terms of the policy jacket. Paragraph 1(a) of the 2006 ALTA form policy specifically excludes from coverage, "Any law, ordinance, permit, or governmental regulation (including those relating to building and zoning,

restricting, regulating, prohibiting, or relating to (i) the occupancy, use or enjoyment of the Land; (ii) the character, dimensions, or location of any improvement erected on the Land; (iii) the subdivision of land, or (iv) environmental protection; of the effect of any violation of these laws." It is important to note that this exclusion from coverage does not modify or limit the coverage under Covered Risk 5 of the policy, "if a notice, describing any part of the Land, is recorded in the Public Records." Absent a recorded notice regarding a violation of, or intention to enforce, an open or expired permit, or unpermitted improvements, a policy can be issued without exception for such matters. Even where an open or expired permit or unpermitted improvement are not title issues, such matters come back and cause problems for real estate practitioners because sellers who were former clients in the past may accuse them of improperly representing or advising them in past closings of real estate transactions. Therefore a real estate practitioner should address them and take steps to resolve any complications that may arise in a present closing transaction.

Problem of Permits..continued from page 121

Real Estate Contract. The most recent contract (revised June 2010) approved by the Florida Realtors, the professional arm of Florida's real estate industry, and The Florida Bar now addresses this problematic issue for real estate practitioners in paragraphs 9(a) and 12(d) of the new contract form. These provisions were in response to the building permit problems encountered in a real estate transaction. Prior versions of the contract provided that title would be conveyed subject to requirements imposed by governmental authorities, of which open and expired permits or unpermitted improvements constituted a violation, however in many transactions the status of building permit activities were often overlooked or never investigated. A buyer could be confronted with a notice of violation for an open or expired permit or unpermitted improvements long after the closing had occurred, leaving the buyer with little or no recourse against the prior owner. Often an "after the fact" permit is required due to a previously issued permit was not closed through a final inspection and approval by the appropriate building official. Curing an existing violation for open or expired permits or unpermitted improvements typically requires the hiring of a contractor, submissions of plans and specifications, inspections, and corrections of any building code violations, all at a great cost to an unsuspecting new owner.

Paragraph 9(a) in the new contract establishes a monetary limit, referred to as the "Permit Limit," on the seller's obligation to cure building permit issues. The contract allows the insertion of monetary or percentage limits for costs associated with closing out open permit or expired building permits and obtaining required building permits for any existing improvement for which a permit was not obtained. If no amount or percentages are inserted, the "Permit Limit" defaults to 1.5 percent of the purchase price. Where the seller is unable to remediate permitting problems prior to closing, the seller is required to escrow an amount at closing equal to 125 percent of the estimated cost to resolve the problem but not exceeding the permit limit as previously set forth in paragraph 9(a).

Paragraph 12(d) provides for inspections relating to open or expired or unpermitted improvements. It is the buyer's obligation to initiate the permit inspection. County and city building departments, as well as some county property appraiser offices, can provide information concerning the status of permits.

The buyer, within the inspection period as set forth in the contract, must complete their investigation and deliver written notice to the seller if there are any open or expired permits or unpermitted improvements. If the buyer gives timely and proper notice to the seller of the existence of any open or expired or unpermitted improvements, the seller has five days from the date of receipt of the buyer's notice to obtain an estimate of costs to remedy the permit inspection item by an appropriately licensed person. The seller is then given a time period, no later than five days prior to closing, in which to have open or expired building permits identified by the buyer, or known to the seller, closed by the applicable governmental authority and further to obtain and close any required building permits for unpermitted improvements on the property. contract provides that if final permit inspections cannot be performed due to delays by the governmental entity, the closing date shall be extended for up to 10 days to complete such final inspection, failing which, either party may terminate the contract. important to note that the extension of the closing date under this paragraph is very narrow in its' application and only applies if the failure to obtain final inspections is due to delays by the governmental entity.

The provisions of paragraph 12(d) also address the situation where the cost to close open or expired permits or to remedy any permit exceeds the initial cost estimate. If the cost estimate exceeds the Permit Limit set forth in paragraph 9(a), then within five days of the receipt of the cost estimate, the seller may elect to pay the excess by delivering written notice to buyer, or the buyer may deliver written notice to seller accepting the property in its "as-is" condition with regard to building permit status and agreeing to receive a credit from seller at closing in the amount of the permit limit. If neither party delivers written notice as required, then either party may terminate the contract. A note of caution to real estate practitioners concerning timing and obligations between the parties under contract. While the provisions of paragraph 12(d) regarding remediation of open or expired or unpermitted improvements provides for an extension of ten days due to delays by the governmental entity, this may appear to be inconsistent with the concept of permitting an escrow of an amount at closing equal to 125 percent of the estimated cost to resolve a permit problem under paragraph 9(a). If the seller is unable to meet the seller's responsibility to resolve permitting issues, the estimated costs could be escrowed at closing with the efforts to resolve those problems

continuing after closing. The inability of the seller to obtain the necessary approval from the appropriate governmental authority prior to closing would appear to be such a situation anticipated under paragraph 9(a) but seems to be inconsistent with the ability to terminate the contract under paragraph 12(d). This illustrates all the more reason why a closing agent should diligently address permitting issues and take steps to contractually resolve any complications that may arise in a closing transaction.

Conclusion. The Fund has produced and printed a Contract Preparation Manual which was created through the combined efforts of The Florida Bar and the Florida Realtors, edited by attorney Steve L. Henderson. The Manual is available for purchase through the Fund's website. In addition, the Legal Education Department of the Fund holds a seminar entitled "Understanding & Using Residential Real Estate Contracts for Sale & Purchase."
