IMPORTANT NOTICE TO BSA E-FILERS:
BSA E-Filing Website Modernization (Private Side)

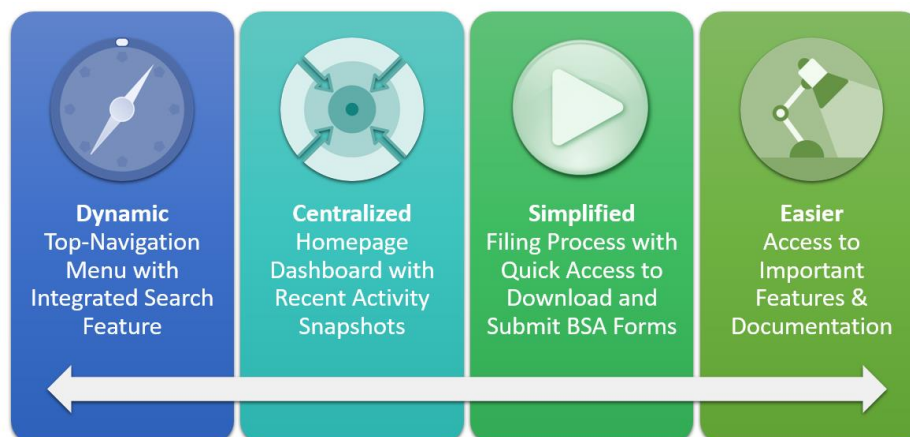

June 10, 2021 – FinCEN is in the process of modernizing the BSA E-Filing System to provide a simpler user-friendly interface and include improved search capabilities to help users locate information more easily. The modernization also includes an overall update of the look and feel of the site to align with FinCEN’s public facing website, FinCEN.gov.

IMPORTANT: Please note that your access credentials, filing history, and form templates will not be impacted as a result of these user interface enhancements.

BSA E-FILING SYSTEM MODERNIZATION TIMELINE

- ✓ Website Modernization (Public Side) – DEPLOYED in June 2020
- Website Modernization (Private Side) – PLANNED for June 16, 2021

All privately accessible webpages (i.e. pages that require username/password to access) will be updated to match the user interface enhancements already applied to the public side. Here are the highlights:

*** Please see the following pages for additional details ***

NOTE: The User Test environment will be updated on June 11, 2021. Please be advised that in order to access the private side of the [User Test System](#), you must first [enroll](#) to receive a username and password (your production username and password will NOT grant you access to the User Test system private side).

Interface Highlights

- Homepage dashboard with snapshot access to common filer data issues reports, track status, and secure mail.
- Website navigation consolidated into a top-navigation menu accessible from all private side webpages; all sub-features accessible via dynamic drop-down list.
- Quick access content positioned front and center with eye catching icons and bold visual effects for easy identification and access, such as File Now and Manage Account.
- User Documentation content consolidated under Resources rather than cluttering the homepage with multiple linked content.

New Content/Features

- Search bar added to header for quick access to FAQ content.
- Streamlined filing process that eliminates the need to open within the browser window for BSA form submission.
