

***“Home ownership is the cornerstone  
of a strong community”***

-Rick Renzi

The process of buying and selling real estate in Florida can seem is complex and challenging. It involves many people from buyers and sellers to lenders, real estate agents and real estate attorneys. Attorney's Real Estate Councils of Florida, Inc. (Florida ARECS), a statewide coalition of local real estate councils was formed to bring all these groups together. We believe that attorneys are uniquely qualified to better protect the public in real estate transactions and that when we work together we can improve outcomes for all involved. Together we all succeed.

Our mission is dedicated to the leadership, education, promotion and support of Real Estate Attorneys in Florida. We believe fostering positive, professional relationships is the cornerstone to building a strong and successful community of real estate attorneys and other real estate professionals.
